

residents had written to the engineer responsible expressing that they were unhappy with the scheme.

In addition the Lengthsman had reported a broken grid cover on the verge between Lamp Post 62 and 63). Clerk to chase

DB

### 103 Grounds and Amenities

1. Station Road Playing Field. The Clerk had passed on information about possible available grants. J. Sil had included an article in the Newsletter and highlighted their Facebook page.

2. Bus Shelter Repair – quotes had been received. Polycarbonate £790 plus fitting. UV £531 plus fitting. The quote for glass replacements was £1553 which included fitting. The glass quote was pro. HJ Sec. CJ and agreed.

JS

JS was asked to obtain a quote for a small laminated glass window for the bus shelter near the Methodist Church.

3 New Litter Bins – one ordered for Edge Lane

DB

4. Notice Boards Repair – new backing had been ordered

5. Painting of Pillar boxes – SS reported that this was Royal Mail's responsibility and they worked on an eight year cycle but they acknowledged the poor state of repair and had promised to fast track them.

### 104 WW1 Commemorations

SS reported that the Commemoration event was coming together with lots of individuals and groups involved. The High School, St. Lukes, Endon Hall, the Scouts and Guides, Drama Group and the Endonians. The War Memorial would be cleaned, there would be a Town Crier competition and the Beacon would be lit by Mr. Horley (age 102)

It was Prop CJ Sec. JS that the Beacon be lit on the Playing Field by the Village Hall. Agreed. Prop CJ Sec JS that, if possible, Station Road be closed one hour before the event for at least two hours. Clerk to chase and check any Health and Safety issues with the Fire Brigade.

DB

### 105 Flood Action Group

**108 Local Plan**

CJ reported that there has been no further developments.

**109 Speeding Clay Lake**

*Standing Orders were suspended*

From the floor Cllr Flunder explained there some members of the Parish Council and Mr. Blood had reviewed the report from "Roadscale" suggesting actions after concern had been expressed particularly over the safety of school children coming from Brow Edge to Endon High. They were crossing the B5051 at the top of Clay Lake where it was felt to be very hazardous.

Cllr Flunder outlined the report. SS read the recommendations from the report that the sub group had agreed. It was Prop ED Sec. JSil and agreed that Cllr Flunder should take the following recommendations to David Greatbatch (Highways)

*Cllr  
Flunder*

1. Speed limit should be reduced to 30mph
2. Informal crossing point to be provided
3. Devices and signs to warn traffic of School Children crossing.
4. Link crossing point to Edge Lane with new footpath on SE side of road
5. SCC to organise walking route assessment.

Mr Blood will obtain count of children crossing every day for two weeks and Cllr Flunder to ask if these figures would be acceptable.

**110 Newsletter and Social Media.**

J.Sil. reported that the latest Newsletter was out.

**111 Lengths man/Maintenance**

1. FP 14 - S Pointon has promised to contact JS this week to review Order.
2. FP 73 –JS will ask S Pointon for a quote to do the work.

*JS*
